Commitment

By signing this document, the student, the Sending Institution, and the Receiving Institution confirm that they approve th
Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receivir
Institutions undertake to apply all the principles agreed in the Inter-Institutional Agreement for institutions located
Partner Countries. The Beneficiary Institution and the student should also commit to what is set out in the grant agreement

The Receiving Institution confirms that the educational components listed in Table A are in line with its course catalogu
and should be available to the student. The Sending Institution commits to recognise all the credits or equivalent uni
gained at the Receiving Institution for the successfully completed educational components and to count them towards th
student's degree as described in Table B.

Any exceptions to this rule are documented in an annex of this Learning Agreement and agreed by all parties. The studer
and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the stuc
programme, responsible persons, and/or study period.
